ز) متن زیر را خوانده پرسش‌ها را پاسخ دهید. (۴ نمره)

A man who was bored with living in London and wanted to move to the country was looking for a house from which he could get to his office in the city easily everyday. One day he saw an advertisement for a suitable house in Hampshire which was said to be within a stone's throw of a railway station from which there were frequent trains to London.

He telephoned the house agency and arranged to go down by train the next day and have a look at the house.

The house agent met him at the station and they drove to the house, which was at least a kilometer from the station.

The man who had come to see the house turned to the house agent when they reached it and said, "I should be very interested to meet the man who threw that stone you mentioned in your ads.

44. Where did the man want his house to be?

45. What did the man do when he saw the ads?

- | | | |
|--|------|-------|
| 46. The house was very near the station . | True | False |
| 47. The man wanted to live near a station. | True | False |
| 48. He went from London to Hampshire with the house agent. | True | False |
